Spread the cost of your energy bills

SSE Airtricity’s **Budget Plan** gives you control of your energy, by spreading the cost over 12 monthly direct debit payments.

**Here’s how it works**

1. **Based on the energy usage at your address, the time of year, and the current energy unit prices, we calculate your monthly direct debit amount.**
2. **We review this amount every four months** to make sure it is accurate and up to date. If necessary, we’ll recalculate the amount and spread the balance across the remaining months.
3. **Your Budget Plan cycle is 12 months.** At the end of the cycle, we review all of your payments and charges for the year. **If your account is in credit, or in debit under €250, we roll the amount over to your next cycle. If your account is in debit over €250 you’ll need to pay the balance before starting your next cycle.**

**We’ll remind you to submit your meter read**

Once you’ve opted in to receive meter read reminders, we’ll send you a reminder by SMS or email every month. This helps make sure your bill is as accurate as possible.

If you change your mind, you can opt out of Budget Plan at any time by calling our Customer Service Team on **1850 40 40 70†**

SSE Airtricity MoneyBack Product Terms & Conditions

1. These terms apply to the SSE Airtricity MoneyBack tariff (the “Tariff”).

2. The Tariff is available to new and existing SSE Airtricity Electricity, Gas and Dual Fuel customers (where Dual Fuel customers both receive gas and electricity to the same address) with a valid An Post Smart Account, on condition that they sign up to a direct debit payment using their An Post Smart Account.

3. These terms are in addition to:
   a. General Terms and Conditions for the Supply of Electricity and/or Gas by SSE Airtricity Limited to domestic premises in the Republic of Ireland (the “SSE Airtricity General Terms & Conditions”) which can be found on our website at www.sseairtricity.com; and
   b. SSE Airtricity’s customer agreement form (the “CAF”). Together these terms, the SSE Airtricity General Terms & Conditions and the CAF are referred to as the agreement (the “Agreement”).

4. In the event of any conflict between (i) these terms, (ii) the SSE Airtricity General Terms & Conditions and (iii) the CAF, these terms will apply.

5. Your rebate rate (the “Rebate”) is 10% of your total bill.

6. Existing SSE Airtricity customers that sign up to this product shall have their Rebate applied from the date of sign up to this product, while new customers that switch to SSE Airtricity and sign up to this product shall have their Rebate applied from the date that SSE Airtricity is registered as your Supplier.

7. In addition to your direct debit, you can also avail of the Rebate when you pay online at sseairtricity.com or over the phone by calling 1850 40 40 70† using your An Post Smart card. In order to avail this you must continue to have your direct debit set up. If you wish to use these alternative payment methods you must make payments at least 7 working days in advance of your invoice due date. If your bill is not paid in full by this date we will request the direct debit for any remaining balance from your bank account.

8. The Rebate will be paid monthly in arrears into your An Post Smart Account by An Post. The Rebate will be paid into your An Post Smart Account at the end of the following month after your direct debit is paid and/or payment is made using the alternative payment methods.
